SUBJ: ADDITION TO ENFORCEMENT SUBCOMMITTEE
FEBRUARY 24, 2012 AGENDA

The Subcommittee will consider an editorial change to Sections 14.2.2.1 of the Lumber Enforcement Regulations, 4.13.2 of the Treated Wood Enforcement Regulations, 5.13.2 of the Wood Packaging Material Enforcement Regulations and 4.13.2 of the Densified Fuel Enforcement Regulations. The suggested edit will provide consistency between the four programs as to a course of action to be taken by an agency when the operation fails to hold mislabeled product.

If anyone wishes to have further information on any of the agenda items, please contact the ALS office.
